4. Without prejudice to the terms of Article 15 of this Loan Agreement and by derogation from Article 99 of the Financial Regulation, if the Member State fails to pay any sum payable under this Loan Agreement on its Transfer Date, the Member State shall pay in addition default interest on such sum (or, as the case may be, the amount thereof for the time being due and unpaid) to the Commission from the Transfer Date to the date of actual payment in full, calculated by reference to successive interest periods (each of such length as the Commission may from time to time select, the first period beginning on the relevant Transfer Date and, wherever possible, the length of such period shall be that of one week) on such overdue sum at the higher of

 - (i) 350 basis points, and

So long as the failure to pay continues, such rate shall be re-fixed in accordance with the provisions of this paragraph (4) of this Article 11 on the last day of each such interest period and unpaid interest under this Article 11 concerning previous interest periods shall be added to the amount of interest due at the end of each such interest period. The default interest is immediately due and payable.

5. The Member State undertakes to pay to the Commission all additional interest and all costs and expenses, including legal fees, incurred and payable by the Commission as a result of a breach of any obligation under this Loan Agreement by the Member State. - 
2. The Member State shall be entitled to ask for a partial or total Early Reimbursement. In this case, the Commission shall assess the request and, in its full discretion, set the terms and conditions for such Early Reimbursement. The Commission shall set a deadline for the Member State for the acceptance of those terms and conditions.

The terms and conditions shall in particular ensure that the Member State bears all the costs resulting from all Funding Instruments impacted, including accrued interests due, expenses, fees, Cost of Liquidity Management, breakage costs and costs of termination of any hedging.

Amounts repaid by the Member State may not be re-borrowed by the same Member State.

A payment made on the Transfer Date on such account shall discharge the Member State from the relevant repayment obligation.

4. If the Member State pays an amount in relation to any of the Loan Instalments which is less than the total amount due and payable under this Loan Agreement, the Member State hereby waives any rights it may have to make any appropriation of the amount so paid as to the amounts due.

The amount so paid in respect of an Loan Instalment shall be applied in or towards satisfaction of payments due under such Instalment in the following sequence:

- (b) *second* against any interest for late payments as determined under Article 11(4);
- (c) *third* against interest; and
- (d) *fourth* against principal,

provided that these amounts are due or overdue for payment on that date.

5. Any calculation and determination by the Commission under this Agreement:

 - (e) any loan agreement between the Member State and the Commission or any EU institution or body, regardless of the amount, is subject of a declaration of default, or there is a default on any payment obligation of any kind towards the Commission or any EU institution by the Member State which gives rise to a declaration of default; or
