

OceanLab

Protegendo os Oceanos:
vem ao laboratório fazer connosco!

PT02_2ºRPS_0033

OceanLab Goal

Preparation of a laboratory to receive young students, their teachers and their families, leading them in a holistic approach to Ocean Literacy

Program dedicated to hands-on scientific experiments in the laboratory

OceanLab

Initiatives:

- School visits to OceanLab
- OceanLab scientific activities for young students during holiday breaks
- Open days at OceanLab for the young students and their families

Access to Ocean Literacy site

OceanLab award - Blog de Ciências

OceanLab

Scientific experiments dedicated to
Ocean Literacy:

Blue biotechnology

Environmental monitoring and
pollution impact

Ocean acidification

Integrated aquaculture

Petroleum bioremediation
